RE: ST LAURENT ORPHANAGE CENTER.

Refer to the above heading.

I am taking this opportunity to introduce you to St Laurent Orphanage Center with 16 years experience on providing services to Most Vulnerable Children within Ifakara Township. The Director of the Center is Ms Rose Njige.

The Orphanage center owns a spacious compound in Lungongole Village, it has 26 children, 14 girls and 12 boys, from 1 year old.

The center has a good reputation and has been working closely with the Government of Tanzania through its Social Welfare Department by providing different human services to the children in need like education, health services, food, shelter, spiritually and so forth.

The center has already applied for the Licence renewal and the procedures are still going on. I kindly ask you to assist the orphanage center as they are waiting for approval.

Please do not hesitate to contact us if you would like more information.

Thank you for your cooperation.

Sincerely,
